**Home Based Services**

Serving the counties of  
Jackson & Hillsdale  
888.658.4040

# Experience

**Integro, llc** Home Based clinicians are licensed by the State of Michigan to provide family focused therapy in the consumer's home and community. Home Based Clinicians are experienced in working with children and families through education, on-the-job training and consistent supervision.

Trauma Focused Therapy is provided for children who have experienced a severe trauma. It is provided by clinicians who have been specifically trained in understanding and helping the victim work through the trauma experience.

**Integro, llc** clinicians who provide services to families and children birth to age four are specifically trained and supervised by an expert who has extensive experience working with this age group.

# Expertise

If your child struggles with:

- Defiance at home or school
- Difficulty getting along with others
- Angry outbursts
- Involvement with the legal system

**Integro, llc's** Home Based clinicians can assist the child and his/her family by:

- Focusing on family strengths
- Teaching problem solving skills within the family
  - Strengthening parenting "know how"
  - Supporting positive school attendance and behavior
  - Establishing a feeling of self-worth and independence

**Our goal is to help you and your loved ones find the balance in life you wish for.**

# Excellence

**Integro, llc** has been providing excellent services to the communities of Jackson and Hillsdale Counties since 1997. We are experienced in coordinating care with other community services such as community physicians, local hospitals, schools, both the juvenile and adult court systems, and the Department of Human Services to ensure the best possible care to the consumers we serve. Integro, llc is a provider of services for LifeWays.

**Integro, llc's** experienced clinicians will provide home based, family-centered treatment, including the following:

- Providing services to families with children from birth through age 17
- Using innovative therapeutic interventions to teach problem solving skills to all family members
- Focusing on the strengths and interests of your child.
- Connecting with resources to support success
- Reducing crisis situations
